April 2005

Dear Provider:

Enclosed is a detailed *Directory of Laboratory Services* from the Tennessee Department of Health Laboratory Services. This 2005 Edition has been revised to reflect current diagnostic procedures performed by Laboratory Services in Nashville and the Jackson and Knoxville Regional Laboratories.

The *Directory*, which is intended to be a useful and frequently consulted reference, should be made available to those individuals in your institution responsible for submitting specimens to the State Laboratory. A copy has been sent to the following health care providers:

- ◆ Tennessee Department of Health Program Areas
- ◆ Tennessee Department of Health Regional Directors and Medical Officers
- ◆ Local Health Departments
 - ❖ Director
 - ❖ Nursing Supervisor
- ◆ CLIA Certified Laboratories
 - ❖ Laboratory Director
 - ❖ Laboratory Supervisor

If you have questions, contact Laboratory Services at (615) 262-6318 or (615) 262-6319. If changes are made in procedures, information will be forwarded to you to incorporate into the directory.

Page 2 of the directory is designed for you to communicate with us about how we can make this document more useful. Please complete the suggestion form and return it to us.

Sincerely,

Michael W. Kimberly, Dr PH, MPH, HCLD
Director, Laboratory Services

PLEASE PULL OUT AND RETURN

*** PLEASE READ ***

Important Information Below

This is your 2005 Tennessee Department of Health Directory of Laboratory Services. Please discard all previous editions.

During the next 6 months as you use the directory, please note the topics or test information that are confusing or incomplete, and list items that you think should be added. Your comments will be used in preparing revisions and additions.

Send your suggestions to Michael W. Kimberly, Dr PH, Director, Tennessee Department of Health, Laboratory Services, 630 Hart Lane, Nashville, Tennessee 37247-0801. For your convenience, the address has been preprinted on the back of this page.

I think the following suggestions would make the Directory of Laboratory Services more useful:

Topic/Test	Comments	Page
